### **Secondary Student Schedules**

I am still in the process of finalizing some staff positions for next year. The schedule cannot be completed until all of the pieces of the puzzle are together. Once those positions are finalized, then I will be able to follow up to set your student's class schedules.

## Dress Code

Please notice the updated dress code policy under “Info” at [www.legacychristian-academy.com](http://www.legacychristian-academy.com). For the most part, the policies have not changed. You will see that there is additional information there to help clarify the policies that were already in place. It is important that everyone understands the expectations so that the policies can be followed and enforced.

We do not want to make a big deal over the dress code, but we do want to have clear basic standards in place.

I do want to emphasize a couple of things:

1. Please note that **all (K5 – 12<sup>th</sup> Grade) hoodies must be Legacy spirit wear**. They cannot just be any random hoodie on regular school dress days (Monday-Thursday). Regular hoodies can be worn on casual Fridays. Spirit wear hoodies must be purchased through the school spirit store, Lands’ End, or the link that will be mentioned below.  
We want our students to represent Legacy!
2. This is not a change to the dress code but just an emphasis that **jeans/denim material will not be allowed** on a regular school dress day (Monday-Thursday) and tight-fitting clothes/pants will not be allowed.
3. Be sure to notice the type of shorts and the length has also been clarified. Again, this is not a change in policy but rather just a clarification.

## Welcome to America

The Mikels family would like to invite all middle school or high school students, parents, and staff to welcome Maria from Colombia. It is a good opportunity to meet her and make her feel welcome before school starts. Maria will be a 9<sup>th</sup> grader this year.
