REFERRAL CREDITS:

When you refer another family to LCA that results in new enrollment, you become eligible to receive a one-time **\$500 tuition credit**. The enrolling family must complete a **Referral Form** listing the person(s) that shared LCA with them. If more than one family is listed on the referral form, the tuition credit will be divided accordingly. Referral Credits will be awarded monthly through FACTS or paid out at the end of the year to families that paid in full. If the new family does not remain at LCA for the full school year, the referral credit will be prorated.

If you have not already visited LCA for an interview & tour, we encourage you to do so. Please contact our Admissions Office to schedule an appointment. We recommend meeting with us in person prior to submitting an Enrollment Application. Your student must attend this meeting. Please bring a copy of their transcripts. *(Report cards, standardized test scores, attendance, and discipline records – 1st Grade – 12th Grade)*

We look forward to getting you better acquainted with LCA.

God Bless,

Marianne Poole
