## **LCA-HSP Vision Statement**

LCA's School and Home Instructional Program exists to assist and support home-schooling parents as they educate their children to know God and to love him with all their heart, soul, mind, and strength (Deuteronomy 6:4-9) thus guiding them to embrace and live out God's will for their lives.

## **LCA-HSP Mission Statement**

The home school program was developed for self-motivated parents who desire to educate their children at home. With the purpose of helping parents with this God given responsibility and to enhance and supplement their efforts, the program will partner with home-schooling parents to prepare their children for life by articulating a vision of academic excellence, facilitating entrance into higher education and the workplace, establishing systems of mutual accountability, and urging students and parents alike to live for the glory of God.

## **History of Legacy Christian Academy**

LCA was established in 2014 by community members focusing on the vision of a Christian school that would be different from any other school out there. Not only would this school provide high quality and Christ-centered education, but it would strive to unite and mobilize the body of Christ to better serve our community.

LCA is in Stephens City, Virginia, with academics for Pre-Kindergarten through Grade 12.

## **Legacy Christian Academy's Vision Statement**

Legacy Christian Fellowship exists by God's grace and for His glory to promote unity and provide growth opportunities for the body of Christ, so that members will become actively involved in serving their communities while seeking to lead lives to Christ. Legacy Christian Academy, a ministry of Legacy Christian Fellowship, exists to educate and prepare students for higher learning and Christian life, while instilling fundamental principles of spiritual growth, evangelism, and Christian service.

## **Legacy Christian Academy's Mission Statement**

With the Bible as the foundation of our faith and all learning, LCA shall honor and serve God by providing a Christ-centered educational environment that is an extension of the Christian home, that is accessible to a broad cross-section of the Christian community, that meets the needs of students with varying scholastic aptitudes through a balanced emphasis on academic excellence and continual spiritual growth and service, and in doing so is widely recognized and respected.
