Year in Review

At LCA this year, we had a great time playing sports while also learning more about God our creator while we played. Some of our most memorable moments from the year were when our varsity volleyball team won the NACA Division III tournament. Another memorable moment from our year was when our middle school basketball team won the Sacred Heart Basketball Tournament. Our varsity basketball team also won the SCC conference title and came in third in the NVIAC conference tournament. In all, it was a great year for Legacy sports!

Farewell to Seniors!

As the year is winding down, the time is coming closer to graduation

for the seniors. Because of this, we wanted to interview the seniors before they go off to their future endeavors. We were not able to hear from Austin, but we pray for the best for him and his future and that he would keep the Lord as his focus! Here are some of our interview questions for the rest of the seniors.

We asked them where they would like to go to college. Grayson said that he plans on going to Liberty University. Sarah wants to go to Shenandoah University, and Mikayla wants to go to LFCC and then plans to transfer.

We also asked what they thought their future jobs might be. Sarah wants to be an elementary school teacher, Mikayla wants to go into the medical field as a sales representative, and Grayson wants to have a career in the music industry.

We then jokingly asked whether they thought that college would be fun, and most of the answers were yes.

As we were closing up our interview of the seniors, we asked if they planned on staying in VA or maybe planning on moving somewhere else. Mikayla said that she was going to stay local, Grayson said that with the job that he wanted to have, he thought he might go lots of places. Sarah said that she is not sure where she is going yet, but would love to move to Texas.

Well good luck seniors! We pray that you follow the Lord in all you do!
